

Letter of Intent Form
New Operator Request

A “new operator” is defined as an applicant group that has not previously operated a charter school, and does not intend to contract with an Education Service Provider (ESP). New Operators in the state of Indiana may apply to Education One, LLC. The Letter of Intent Form must be submitted, prior to submitting an initial proposal to Education One. Please send all completed documentation via email to:

<p>Brief Description of Proposed School:</p> <p>Mission</p> <p>Level Up Learning & Community Center’s school design allows students to personalize aspects of their high school experience. Students acquire critical thinking skills and social-emotional dispositions to become future-ready individuals. Level Up Learning faculty and staff work alongside students to design an adaptive education plan around a learner profile. The plan enables students to develop a sense of purpose; mindset, passion, and skills. Learning is flexible and is not limited to a traditional classroom; students work collaboratively to solve problems within the community and develop employability skills through service and work-based learning opportunities.</p> <p>Teaching & Learning</p> <p>Level Up Learning & Community Center faculty and staff employ a variety of teaching and learning methodologies, project-based learning and competency-based education. Learning is not limited to a traditional classroom. Level Up Learning & Community Center is a unique collaboration between Goshen College, Greencroft Communities, and an innovative educator. Greencroft Communities serves as a full-time work-based learning site. Students develop connections by interacting with the Greencroft residents who serve as career guides, mentors, or life coaches. Goshen College may participate in a variety of ways to be developed over the course of a few years such as the home of Level Up Learning, a laboratory school for teacher education and social work, dual credit/early college course offerings.</p>
