

The **Alumni and Friends Resource Network** links our students to alumni and career professionals who are interested in sharing knowledge, industry connections, and their love for Trine University. The Resource Network is another great tool to help students build toward their future. Students can connect with alumni and close university friends by specific interest, major, industry, occupation, specific employers and even geographical locations.

Are you interested in **servicing as a mentor** to a current Trine University student, volunteering at a campus event, or working to move the mission of the Office of University Advancement forward?

We are looking for interested candidates who wish to offer their **guidance, expertise and affinity to Trine** to our current students, other alumni and future leaders. Register and become a network volunteer today.

If you have questions, please reach out to Career Services at 260-665-4124 or the Office of Alumni Relations at 260-665-4114 or [alumni@trine.edu](mailto:alumni@trine.edu).
