

Thunder Banking

Purpose: *To create awareness among elementary school students regarding the fundamentals of using a checking account.*

How the Program Works:

- We are conducting our project in a 4th grade classroom.
- Students will be taught the basics of checking, maintaining a check book, and writing checks
- Students will be issued SIFE dollars
- Students will complete deposit tickets
- Students will write checks to other students for merchandise
- Students will maintain check Register and reconcile their accounts
