Step 3:

Link Your PIN to Your FSA ID (Optional)

If you already have a Federal Student Aid 4-digit PIN that was used previously, it may be linked to your FSA ID. Type the same PIN that was used for your FAFSA in the space provided. This allows you to immediately use your FSA ID on any of the ED websites that require an FSA ID. Click "Verify".

If you do not link your PIN to your FSA ID, your information will need to be confirmed with the Social Security Administration (SSA) which takes 1 -3 days. During this time you may use the FSA ID to sign an original FAFSA, but nothing else. Once your information is verified, you will receive an e-mail indicating that the process is complete. At that time, you will be able to use your FSA ID to fully access your financial aid information. Click "Continue Without PIN".

Entering Profile Information

Step 4: In this page you will be entering various fields of information about yourself. You will need to come up with a username and password that you can easily remember. This will become your new login information for your FSA ID. Include your email, mailing address, and phone number. Click "Continue".

<u>Step 6:</u>

Submit your FSA ID Information - Agree to the terms and conditions. Click "Continue".

Verify your email address (this is optional but helpful). By verifying your email address, you can use your email address as your username when logging into certain ESD websites. This verification also allows you to retrieve your username or password, or reset your password without answering challenge questions. Click "Continue".
