

2011–2012

Required Prior to Disbursement of Alternative Loan

According to Department of Education, you may be eligible for federal financial assistance. Every student that completes a Free Application for Federal Student Aid (FAFSA) and meets minimum eligibility criteria (citizenship, no drug conviction, Selective Service registration, no defaulted loan, etc.) may be eligible for federal grants and loans. The Office of Financial Aid **strongly** suggests that you complete a FAFSA to determine eligibility for federal assistance before turning to a more costly alternative loan.
