

The Office of Financial Aid has recently received results from your 2010-11 Free Application for Federal Student Aid (FAFSA). According to the information that we have on file, the federal processor did not receive the necessary signatures in order to consider your application acceptable to calculate an official expected family contribution (EFC). We are required to have an official EFC on file before we can offer a student Title IV aid. If you have already returned your SAR (student aid report) to the processor with ALL of the necessary signatures, DO NOT return this form to us, but rather notify the Office of Financial Aid at [finaid@trine.edu](mailto:finaid@trine.edu).

By signing this application, I agree, if required, to provide information that will verify the accuracy of my completed FAFSA.

**WARNING:**

If you purposely give false or misleading information on this form, you could lose your federal Title IV funding.
