

## 1940

**William Ormond**, BSEE 1940, retired from Kentucky Utilities as director of production in Lexington, Kentucky. While working, he became a registered professional electrical engineer of Kentucky.

**Robert Reiland**, BSAE 1944, is the author of religious history books, “Jesus and the Third Temple” and “The Fire and the Cloud,” among other books. He received recognition from ASME Journal for Power for presenting his paper at an ASME convention.

**Raymond Wood**, BSAE 1947, worked as an engineering coordinator for B & W Co. Boilers, in Barberton, Ohio before retiring.

**Juan Costas**, BS in radio engineering 1947, was an assistant engineer for Abarca Foundry, in sugar maintenance. He continued his education, earning a degree in drafting from Mayaguez Technical College.

**George Riley**, BS in radio engineering 1948, has held various positions in sales and marketing. He worked with Riley & Petchell Sales Incorporated. Riley has obtained other degrees in aviation radio and blind landing instruments from the U.S. Navy. He has received the TSC Alumni Distinguished Service Award, and also the National Electronics Representatives Association for national sales award six times. He retired in 1990.

**Charles Kuntzman**, BS in chemical engineering 1948, worked with Celotex Corporation for 32 years before retiring. Celotex is in the building products industry, where he worked as a staff consultant.

**Richard Stork**, BS in chemical engineering 1949, was the supervisor of chemical processes for General Motors Corporation, in the automotive industry.

## 1950

**Kenneth A. Green**, BS in radio engineering 1950, was employed with EG & G Incorporated for 30 years. He retired as one of the company’s most regarded problem-solvers, even being called back for a “seemingly impossible problem” that he fixed within a day.

**Joseph McCorkel**, BSCE 1950, found work with Johnson Controls Foundation, where he became foundation administrator before retiring. He earned his MBA from Saint Francis in Fort Wayne, Indiana.

**William Kutter**, BSME 1950, was employed with General Motors Corporation in Andover, Massachusetts. He is now retired. Missile & Space Corporation in Sunneyville, California.

**Edward Delaney**, BSME 1951, is retired from his position as a program manager and consultant in the aerospace industry.

**John Shenk**, BS in radio engineering 1952, is retired now, but worked with CBS Electronics as a regional sales manager.

**Milford Reisert**, BSCE 1952, was the vice president of URS Corporate Center. Reisert worked in the aviation industry in Miami, Florida.

**Tomas Furth**, BSME 1954, was employed with Ed Financiero Latino in Caracas, Venezuela.

**Robert Shinn**, BSME 1955, is a retired operations manager for Chrysler at New Castle Forge & Machine, located in Auburn Hills, Michigan.

**Cleveland Johnson Jr.**, BSBA 1955, is the president of Johnson Consulting Associates, LLC in Bayshore, New York. He also received a Masters of Public Administration from New York University.

**Edward Wetherhold**, BS in radio engineering 1956, assembles passive LC filters for radio operators. He has been with Carray Solutions since 1998.

**Allen L. Brand**, BSME 1956, worked with Bell Aerospace/Textron. Before retiring, he received NASA Apollo Achievement Award, culminating in Apollo 11's successful landing of the first man on the moon July 20, 1969.

**Erik Dambergs**, BSCE 1956, worked as a principal engineer consultant out of Ardmore, Pennsylvania.

**Robert Wilson**, BSRE 1956, worked with RCA Corporation as a research engineer in RCA

**David Sarnoff**, Research Laboratories in Princeton, New Jersey. He patented numerous inventions while at RCA.

**Paul Kahlenbeck**, BSME 1957, is retired from Cummins Engine Company, which is in Columbus, Indiana.

**Belmont Priest**, BSCE 1957, is the executive vice president of Ayres Associates, located in Eau Claire, Wisconsin. HE is a registered professional engineer.

**Lincoln Edwards**, BSCE 1958, is a consulting professional engineer with Bricker & Association Incorporated. This civil engineering and land surveying company is out of Denville, New Jersey.

**Paul Stone**, BSEE 1958, is the president of Paul Stone Sales Co., in Indianapolis, Indiana. He works in the consumer electronics field.

**Larry Cupp**, BSAE 1959, was employed with the U.S. Navy as a lieutenant commander, before retiring.

**George Gecowets**, BSBA 1959, was the executive vice president of Council of Logistics Management in Lombard, Illinois. After his education at Tri-State University, he earned his master's in business administration from Michigan State University.

**Bob Garrett**, BSCE 1959, retired in 1998 with a diverse work background behind him. From county engineer, to construction engineer, and eventually CEO of American Traffic Safety Services Association, he has done it all. Since retiring, he has been the executive secretary of the National Committee on Uniform Traffic Control Devices.

## **1960**

**J. Lloyd Henderson**, motor transport management 1960, is self-employed with Henderson Insurance Services Incorporated in Orange Park, Florida.

**William Kemmerer**, BSEE 1960, retired after his career with IMB (International Business Machines) in New York, where he was an advisory engineer. While with IBM, he received the President's Award for the data systems division in 1990.

**David A. Best**, BS drafting and design 1960, is self-employed in the photography industry in Intervale, New Hampshire. He has also earned BS in industrial arts and masters in industrial education from Arizona State University in 1967. He was featured in Cambridge Who's Who V.I.P. edition.

**Donald Kvarnberg**, BSME 1961, is a retired senior engineer. He was employed with Chrysler Corporation in Chelsea, Michigan.

**Gary L. Green**, BSAE 1962, retired in June from Boeing Company as a data analyst, after 33 years working with NASA. He worked on the Gemini, Apollo, Delta IV and International Space Station projects. He now enjoys spending time with his grandchildren.

**Paul LeMasters**, BSEE 1962, retired from General Motors, where he patented four inventions while employed.

**John Wehrly**, BSME 1962, was a motor sports engineering manager with Chrysler in Auburn Hills, Michigan before retiring. He also earned another degree in professional management from the University of Michigan, in Dearborn.

**Michael Rex**, BSBA 1962, was a corporate trainer for the Federal Government Department of Agriculture in New Mexico. He worked in the strategy department. After graduation, he received another degree from Ball State University in 1968.

**Carl Dingley**, BSEE 1963, worked as a development engineer with Power Electronic Motor Drives.

**Gary Nesmeier**, BSME 1963, retired from RR Donnelley, a printing company.

**Alexander Yarina**, BSME 1963, retired from Bechtel Bettis.

**Daniel Latessa**, BSME 1964, was an estimator and engineer with The Smith & Oby Company, Walton Hills, Ohio.

**James R. Smith**, BSME 1964, was a product manager with Enertech Manufacturing, LLC. Enertech is a geothermal heat pump company out of Greenville, Illinois. Smith patented an air conditioner control in 1969.

**Douglas Nethaway**, BS in aeronautical engineering 1964 is a beef cattle producer in Bostic, North Carolina, where he has won Beef Cattle Producer of the Year for Rutherford Co. He serves on the board of directors for Rutherford Co., State of North Carolina Cattleman's Association, and North Carolina State Agricultural Foundation.

**Gary Batt**, BSEE 1964, retired from Boeing Corporation as an engineering manager, in the aerospace industry.

**Terry Dean Hicks**, BSEE 1965, was a faculty engineer in the manufacturing industry with Greenwood Incorporated. He is a South Carolina registered professional engineer.

**Richard Conklin**, BSEE 1965, is a writer that formerly worked for IBM. He received his MBA from Rollins College after graduating from Tri-State University. He has been recognized with the honor of Florida Magazine Columnist of 2003 and best Florida technical publication in 1989.

**Leon Wizorek**, BSEE 1965, is a workforce development specialist in the training industry out of Williston, South Carolina. He also obtained his MBA from Wichita State University in Wichita, Kansas. He was a certified plant engineer from 1992-1997 and in 2003, became a NCCER certified instructor.

**Gerald Rigda**, BSEE 1965, is a technical trainer with Boeing, where he has been part of many projects. His work includes weather satellites, project Apollo, radar maintenance and torpedo design. He received recognition for his contribution on the Apollo missions. He was one of the two men to install the receiving equipment for the first TV pictures from space.

**Dennis Vogel**, BSBA 1966, was a manufacturing representative with Vogel & Associates Inc., located in Chicago, Illinois. After retiring, he now works as a dog trainer at PetSmart.

**Joseph Bresan**, BS in chemical engineering 1966, is the president of Consulmag, Incorporated. He earned other degrees as well as his chemical engineering degree from Tri-State. He received his degree in color engineering from Princeton, New Jersey, and another in production planning systems from Case Western Reserve.

**John Warakowski**, BSME 1966, is the owner of REDD Rose B & B. His business is located in Shantateles, New York.

**James Lukas Savage**, BSME 1966, was a senior engineer in the aerospace industry.

**William Fish**, BSBA 1966, is the president of Turf Service Equipment & Sales in Fort Wayne, Indiana. He is a certified production inventory manager, certified purchasing manager and a senior tax advisor.

**Wayne Royer**, BSME 1966, is the president of W. I. Royer, Incorporated, a consulting business from Elkhart, Indiana.

**Theodore C. Kayser**, BSAE 1967, is a mission's lecturer with SIM USA in Charlotte, North Carolina. After graduating from Tri-State University, he obtained two other degrees from Multnomah Biblical Seminary and another from Jerusalem University College. He has a master's degree in Biblical studies and historical geography.

**Jerry Binder**, BS drafting and design 1967, is a manager for Dell Incorporated in Round Rock, Texas. He has earned another degree in business management from Indiana University at South Bend. He has worked to earn both a certified professional in supply management award and a certified production and inventory management award.

**Jack Nickels**, BS in chemical engineering 1967, is a DP plant engineer with Oleo Chemicals.

**Kenneth Allen**, BS in accounting 1968, retired as a business operations manager with NCR in Dayton, Ohio. He is now the vice president of operations at CUO. He has recently become the volunteer president of the Middletown Symphony board of directors.

**Roger Tepfer**, BSBA 1968, is a cost accounting manager with Parma Tube Corporation in Sturgis, Michigan.

**Philip Kaufman**, BSME 1969, is a program manager with Imagitek, an aerospace company.

**Robert Beggs**, BSME 1969, is the president of Reibran Corporation, in Scottsdale, Arizona.

## **1970**

**Eugene Boudreau**, BSBA 1970, is the owner of Point to Point Logistics Inc., in Amherst, New York.

**Vikram Bhandari**, BS in chemical engineering 1971, is the general manager for BASF Petronas Chemicals in Malaysia. He later obtained a degree from Oregon State University.

**Donald Ball**, BS in chemical engineering 1971 is a senior process engineer with Chemcut Corporation in State College, Pennsylvania

**Craig Baker**, BSCE 1971, is the president of Daniel C. Baker Assoc. Inc. in Beaver, Pennsylvania in the consulting civil engineering industry. He has received recognition from the Beaver County chapter Pennsylvania Society of Professional Engineers, Engineer of the Year in 2008.

**Gregg Berry**, BSBA 1972, is the vice president of First State Insurance Agency in Middlebury, Indiana. He is a certified insurance counselor.

**Thomas Haylett**, BS in computer technology 1972, is a co-owner of a construction company called Hemker Construction Incorporated in Union City, Michigan.

**Joseph Brancato**, BSEE 1972, is a components engineer with Amherst Systems DN in Amherst, New York. He works in the avionics and aerospace field.

**Bruce Chwalek**, BSCE 1972, is currently employed with the municipal government as a civil engineer in Fairborn, Ohio. He was the honored with City Employer of the Year in 1997.

**Russell Rutkowski**, BSCE 1973, is an associate engineer with Monroe County. This is part of the solid waste and recycling in Rochester, New York. He has been recognized with the Swana Professional Achievement Award.

**Sherrie Tombow Paskiet**, BS in accounting 1973, is the general manager and vice president at C.L. Industries Inc. in Orlando, Florida. She has also earned her MBA from Indiana University of South Bend.

**Daniel Fresch**, BSEE 1973, is the owner of Fresch Electric Incorporated in Sandusky, Ohio. His business is in the electrical contracting industry.

**Lizabeth Fresch**, BS in arts and sciences 1973, teaches in Sandusky, Ohio at Sandusky Central Catholic School.

**James M. Braun**, BSME 1974, worked as a project engineer at Whirlpool Corporation in Marion, Ohio. He later received Society of Manufacturing Engineers Certification.

**Robert Allen**, BSCE 1974, is a senior project manager at Newport CM, in Newport Beach, California.

**Mark Redker**, BS in social studies 1974, is a driver analyst with the Michigan Department of State for traffic safety.

**Anthony Uremovich**, BSCE 1974, is a structural design resources engineer with the Indiana Department of Transportation, based out of Indianapolis, Indiana.

**John Sawyer**, BSEE 1976, is a senior electrical engineer with General Motors Corporation in Andover, Massachusetts.

**David Dock**, BSCE 1977, is the new director for the American Iron and Steel Institute's Short Span Steel Bridge Program. He is responsible for developing and implementing strategies that increase demand for steel in short span bridge applications.

**Kelvin Bryant**, BSBA 1978, is employed as an internal revenue agent and employee plans specialist with the Internal Revenue Service in Columbus, Ohio. After graduating from Tri-State University, he went on to earn an associate's degree in accounting from Rhodes Technical College.

**David Ruppert**, BSME 1978, is a product design engineer for Ford Motor Company Fund in Dearborn, Michigan.

**Kevin Sosbe**, BSEE 1978, is a data and security specialist with Indiana Utility Regulatory Commission, of Indianapolis, Indiana. Sosbe later went to Indiana University to earn a master's degree in public affairs.

**Thomas Bazow**, BS in elementary education 1979, is the president of Excursions Trailways in Fort Wayne, Indiana. After his education at Tri-State University, he obtained his master's degree in school administration from Indiana University.

**Danny Matthews**, BS in mathematics 1979, is an associate professor in computer science at Trine University, in Angola, Indiana. He earned his master's in computer science from Indiana University after graduating from Tri-State.

**Stanley K. Kinnett**, BSBA 1979, is the president and CEO of Dixie-Southern Constructors in Duette, Florida. He works in the steel fabrication industry.

**Michael Alexander**, has a 2-year degree in drafting and design 1979, was a draftsman for 22 years and will soon be retiring.

## **1980**

**Steven Keys**, BS in chemical engineering 1981, is the plant manager at R.C. Bigelow Incorporated in Louisville, Kentucky. This is a food processing plant, where he has three US patents.

**Cindy Huyser**, BA 1981, has co-edited the 2009 Texas Poetry Calendar for Dos Gatos Press in Austin, Texas. Her poem "Border Crossing" was a finalist in the 2007-2008 Awards issue of the Comstock Review.

**Lori Hutchinson**, SS 1982, is an administrative assistant at the Family Practice of Dublin Incorporated, in Dublin, Ohio.

**Lori Thielka**, SS 1983, is a receptionist at Penn-Harris-Madison School Corporation in Mishawaka, Indiana.

**Michael Catanzarite**, drafting and design 1983, is a packaging engineer for Just Packaging Incorporated, located in New Carlisle, Indiana. He has been featured in Biltmore Who's Who. He has held positions such as Diloreto Club president from 2002 to present, and has won awards. These awards include the TAPPI Corrugated Division 3<sup>rd</sup> place and national award in 1997, and the Smurfit Judges award in 1999.

**Janice Parham**, BS in administrative engineering 1984, is the executive vice president of Building Owners & Managers Association in Cleveland, Ohio.

**John Legge**, BSME 1987, is a project engineer at Ingersoll Machine Tool in Rockford, Illinois. He has been awarded patents for a pressurized laser cutting head and an optical reposition system.

**Matthew Rupp**, BS in accounting 1987, is the self-employed owner of Rupp Lumber Company in Pettisville, Ohio.

**John Stark**, BSME 1988, is the owner of BMB Nissley Excavating.

**Jason Bradley**, BSCE 1989, is currently a software QA Analyst in Financial Services. He resides in Chagrin Falls, Ohio.

**Eugene Cady**, BS in computer information systems 1989, is the owner of B-Mac Agency, an insurance agency in Bluffton, Indiana. He has received his certified insurance counselors' certificate.

## **1990**

**Julia Callaghan**, BS in management 1990, is a lawyer with Callaghan & Callaghan PLLC in Summersville, West Virginia. She also received a degree from Thomas M. Cooley Law School.

**Chris Baker**, BSCS 1990, was recently promoted to Head of Desktop and Web Programs, Product Area Diabetes Care, Roche Diagnostics.

**John Stark**, BSCE 1991, is the structural engineer with CH2M Hill, in Milwaukee, Wisconsin.

**Elizabeth Girdham**, BS in elementary education 1991, is currently teaching at Jonesville Community Schools in Jonesville, Michigan. She has earned her master's degree in art of education from Marygrove College.

**Julie Jensen-Kelley**, BSCJ 1993, is a probation officer for the Whitley County Government in Columbia City, Indiana.

**Rick Kruger**, BS in individual studies with a degree in science 1993, is currently with Don Ayres Honda in Fort Wayne, Indiana. He is the sales and lease consultant.

**Kenneth McLouth**, BSME 1993, is the senior corporate quality manager at JCIM in Auburn Hills, Michigan. JCIM is in the automotive industry.

**David Kelley**, BSCJ 1993, works as a security supervisor at Parkview Health Systems in Fort Wayne, Indiana. He has also received a degree from the University of Alabama.

**Gregory Ilko**, BS in aerospace engineering 1994, is currently the vice president of Cross Road Engineers in Beech Grove, Indiana.

**Jennifer Cripe**, BS in physical education teaching 1994, is a teacher at Smith-Green Community Schools in Churubusco, Indiana.

**Stacy Chao**, BS in management 1995, is the customer services supervisor for Fleetwood Enterprises of Decatur, Indiana.

**Jonathan Bixler**, BSCE 1995, is a project manager at a construction company, OHC Environmental Engineering Incorporated, in Tampa Florida. He is a certified hazardous materials manager (CHMM).

**Patrick Mansfield**, BS in management 1996, is the owner of Snap Fitness, a fitness and health club, in Plainfield, Illinois.

**Erin Grindle**, BS in elementary education 1996, is currently employed with Garden Grove Unified, South Dakota. She earned her master's degree in special education from Azusa Pacific University in 2000. She has also been honored with the 1996 Outstanding Future Educator Award.

**Jennifer Jaskulski-Tripp**, BS in psychology 1997, works as an assistant state's attorney in Baltimore, Maryland. She is a prosecutor, who coaches soccer in her free time.

**Vern Gingerich**, 1997, has been the assistant men's soccer coach for the University of Notre Dame. He is also the director of goalkeeping for the Michiana Echo club. He also coached Elkhart Central High School on their trail to the State Runners up in 2006.

**Nathaniel Mowrey**, BC in computer information systems 1998, is the project leader of Parker Hannifin Corporation in Des Plaines, Illinois.

**Goetz Schaefer**, BS in marketing 1998, is the head golf professional for Muncie Elks Country Club golf course in Muncie, Indiana.

**Trent Unterbrink**, BSME 1998, is the senior engineer for Cooper Tire & Rubber Company in Findlay, Ohio. He continued his education at Bowling Green State University, earning his masters of organizational development. He has won the Chairman's Award, and been a member of a new product development team that was recognized by the CEO. He also won the Meritorious Service award from the Tri-State chapter of Delta Chi fraternity.

**Charles Shankar**, BSEE 1998, is a senior test engineer with Harman Becker Automotive System in Franklin, Kentucky. He works in the automotive industry.

**Joshua Martin**, BS in chemical engineering 1998, is an orthopedic spine consultant in medical synthesis.

**Michele Davis**, BS in accounting 1999, is CFO of The Wickard Companies, a payroll, human resources, and accounting services company.

**Gregory Lefeld**, BSCE 1999, works as the project manager for Balfour Beatty Construction.

**Amy Demske**, BS in individual studies 1999, is the owner and manager of Garrett Country Club, in Garrett, Indiana. She is also the president of the Garrett Chamber of Commerce and director of the Garrett Museum of Art.

**Anthony Galati**, BS in accounting 1999, is the senior accountant at Zurich N.A., in the insurance industry. It is located in Schaumburg, Illinois.

**Joshua Grindstaff**, BS in chemical engineering 1999, is an engineer with Voltek in Coldwater, Michigan.

**John Schwarz**, BS in administrative engineering 1999, is an attorney with Simmons, Brown, and Cress in Angola, Indiana. He received his doctorate from Indiana University School of Law in Bloomington.

## **2000**

**Tina Balka**, BS in golf management 2000, is a medical assistant at LaPorte Regional Health System, in the healthcare industry. She earned her medical assisting degree from Everest College.

**Gregory Joseph Pohlgeers**, BS in management 2000, is a sales director at Associated Management Systems in Erlanger, Kentucky.

**Randi Echstein**, BS in biology 2000, is a physical therapist at South Haven Community Hospital in South Haven, Michigan. She earned her doctorate from A.T. Still University in Arizona in physical therapy.

**Kelli Peters**, BSCE 2000, is the roadway design project manager for the Florida Department of Transportation in Tampa, Florida. She has obtained her PE license in both Michigan and Florida.

**Monty Richmond**, BS in applied management 2000, is the regional human resources manager for Our Sunday Visitor, Incorporated. This is a publishing and manufacturing company out of Huntington, Indiana. He also earned his MBA in management and human resources from the Indiana Institute of Technology.

**Amanda Lefeld**, BS in elementary education 2000, currently teaches at Wake County Public School System.

**Leon Staples**, BS in marketing 2001, works as the human resources administrator for the State of Georgia. He has also earned his master's of business degree.

**Andrew Boyd**, BSME 2001, is the CPPD process manager at Cerpillar Incorporated in Decatur, Illinois, which is a mining and construction equipment company.

**Sara Snyder**, BS in accounting 2001, is an audit specialist with Agri Stats Incorporated, in Fort Wayne, Indiana. She has since earned her MBA from Indiana University-Fort Wayne.

**Jonathan King**, BSAE 2001, is a senior project engineer for ASE Technologies Incorporated. It is located in Cincinnati, Ohio, and is in the aerospace industry.

**Randy Rozewicz**, BS in applied management 2001, is currently the quality EHS manager with Trelleborg Sealing Solutions in Fort Wayne, Indiana. He is a part of the American Society for Quality, a certified manager of quality, and has won an award for organizational excellence.

**Julie Smith**, BS in applied management 2001, is employed at Allen County Solid Waste Management District as the business and technical coordinator.

**Michael Meiser**, BSCJ and social studies associates' degree 2001, is currently working as a trooper for the Indiana State Police in Peru, Indiana.

**James Pippin**, BASS 2001, is the family case manager supervisor for the Department of Child Services for the State of Indiana, located in Elkhart, Indiana. He later earned his master's degree in public management from Indiana University.

**Jonathan Bethuram**, BS in sports management 2002, is a college recruiter for Cummins, Incorporated.

**Alexander Dallas**, BS in applied management 2002, is a business development manager for Microsoft Corporation in Angola, Indiana.

**Craig Costagnasso**, BS in accounting 2002, is an auditing specialist with the state of Michigan in the community health industry, based in Lansing, Michigan.

**Jennifer Wilkins**, BS in elementary education 2002, is principal of a grades pre-K-5 elementary school. She taught for three years after graduating from Tri-State, and then earned a master's degree from Eastern Michigan University in 2006. She worked as a compliance director and then became a pre-kindergarten director. After returning to work from maternity leave in April 2008, she received the promotion to principal.

**Nicole Dygert**, ChE 2003, successfully defended her Ph.D. at Vanderbilt University in August, and her degree was conferred in December. She has accepted a job as an associated research chemist with Edwards Air Force Base research laboratory in California's Mojave Desert.

**Jason Stechschulte**, CE 2003, has been recognized by the Ohio High School Athletic Association for his outstanding accomplishments on the baseball diamond. He was selected to officiate the 2008 Division I NCAA state baseball championship game.

**Raymond Sterling**, BS in physical education teaching 2003, is a commercial loan officer at Century Bank and Trust in Sturgis, Michigan. He was recently elected to the Sturgis Public School Board of Education. He was promoted to commercial loan officer in 2007.

**Matthew Taylor**, BSEE 2003, is currently in automation sales with Kirby Risk Electrical Supply in Indianapolis, Indiana.

**Michael Sattler**, BS in chemical engineering 2004, is with United States Gypsum as engineering department manager.

**William Lasher**, BS in accounting 2004, is a financial analyst for Raytheon Company in Plano, Texas.

**Benjamin Jewell**, BSJC and psychology 2004, is an attorney at the Law Office of Benjamin Jewell in Sturgis, Michigan. He graduated Cum Laude from Ave Maria School of Law in May 2007.

**Edward Treft**, BS in applied management 2004, is currently working for W.C. Wood, as business management.

**Carrie Dunn**, BS in math education 2005, is teaching at DeKalb High School, in Waterloo, Indiana.

**Joshua Batterson**, BSME 2005, is a graduate research assistant at the University of Tennessee Space Institute in Tullahoma, Tennessee. He has earned his master's of science degree in aerospace engineering.

**Jason Stofleth**, BS in chemical engineering 2005, is working for Michelin North America as a productions operations controller. He obtained his MBA from IPFW.

**Amanda Adkins**, BS in forensic science 2005, is a psych associate for Arizona Department of Corrections. She continued her education beyond Tri-State University, earning a master's degree in mental health counseling.

**Kristen E. Stofleth**, BS elementary education 2005, currently teaches second grade at Westview School in Shipshewana, Indiana. She has earned a masters degree from Walden University in education, reading and literacy.

**Craig Davis**, BSCJ 2006, is employed as a youth care worker at the Allen County Juvenile Center in Fort Wayne, Indiana.

**Kevin Lichlyter**, BSME 2007, is the production engineer for Arvin Sango Incorporated in Madison, Indiana.

**Weston Heeren**, BS in science education 2007, is teaching chemistry and physics at M.S.D. Decatur Township in Indianapolis, Indiana.

**Joshua Steinmetz**, BSME 2007, is currently employed with SMC Kelly Services in Indianapolis, Indiana.
