# Our Learning Model:

Student learning will take place in maker spaces, hands on learning bays, small group settings, inside a main hub building, and at other learning locations throughout the community depending on the task, project, or learning experience.

Indiana Academic Standards + Apprenticeships + PBL + Workplace Learning Standards + Employability Skills + Habits of Mind =

A photograph of three students sitting at a green table outdoors. They are looking at a book together. The student on the left is wearing a red hoodie and has braided hair. The student in the middle is wearing a red shirt and a patterned bandana. The student on the right is wearing a grey sweater and a blue face mask. The background shows green foliage and a brick wall.

# Core Curriculum:

Eureka Math and Discovery Ed (Mathematics)

Wit and Wisdom, EngageNY, and Discovery Ed (English)

McGraw Hill and Discovery Ed (Science and Social Studies)

A red logo featuring a stylized flame or 'M' shape with the number '70' inside.
