Create Your FSA ID

Go To <https://fsaid.ed.gov/npas/index.htm>

Create a New FSA ID

An FSA ID gives you access to Federal Student Aid's online systems and can serve as your legal signature.

Only create an FSA ID using your own personal information and for your own exclusive use. You are not authorized to create an FSA ID on behalf of someone else, including a family member. Misrepresentation of your identity to the federal government could result in criminal or civil penalties.

To create your own personal FSA ID, enter answers for the questions below and select CONTINUE.

Important: When you are done click the CANCEL button to clear your data, even if you did not finish creating your FSA ID. Just closing your browser window or going to another website may not be enough to prevent other people using this computer from seeing your information until the session expires.

Step 1: Enter your Log-in Information

Provide your e-mail address, and a unique username and password. Please note the e-mail address you choose can only be linked to one FSA ID. Parents and students must use a separate e-mail address when creating an FSA ID.

Link Your PIN to Your FSA ID (Optional)

If you already have a Federal Student Aid 4-digit PIN that was used previously, it may be linked to your FSA ID. Type the same PIN that was used for your FAFSA in the space provided. This allows you to immediately use your FSA ID on any of the ED websites that require an FSA ID. Click “Verify”.

If you do not link your PIN to your FSA ID, your information will need to be confirmed with the Social Security Administration (SSA) which takes 1 -3 days. During this time you may use the FSA ID to sign an original FAFSA, but nothing else. Once your information is verified, you will receive an e-mail indicating that the process is complete. At that time, you will be able to use your FSA ID to fully access your financial aid information. Click “Continue Without PIN”.

Link Your PIN to Your FSA ID

Enter your Federal Student Aid PIN below and select VERIFY to link it to your FSA ID. If you do not remember your PIN, select Help for more details or use the Forgot My PIN link.

By linking your PIN to your FSA ID, you will be able to use your new FSA ID with all FSA systems immediately.

If you don't remember your PIN or the answer to your PIN challenge question, then select CONTINUE WITHOUT PIN. We will send your information to the Social Security Administration (SSA) for confirmation. This takes 1-3 days. You will receive an e-mail when the match is complete. You can sign and submit an original FAFSA with your new FSA ID right away. For access to most other FSA systems, you must wait for SSA confirmation.
