

2019-2020 Verification Worksheet

Your FAFSA was selected for a review process called “verification”. The Department of Education randomly selects the FAFSA’s chosen for verification; they are not chosen by Trine University. Because Trine University administers federal financial aid programs we are required to request, collect, and verify information submitted through the FAFSA and adjust or cancel aid accordingly. It is the student’s responsibility to comply in a timely manner with all requests for documentation. Trine does not take responsibility for changes made to financial aid when paperwork is submitted late. For an accurate bill it is best to submit the requested paperwork as soon as you are able to. Every time you submit a FAFSA you have a chance of being selected for verification.
