

Alternative Loan Student Certification (FAFSA Refusal) 2022-23

According to the Department of Education, you may be eligible for federal financial assistance. Every student that completes a Free Application for Federal Student Aid (FAFSA) and meets minimum eligibility criteria (citizenship, no drug conviction, Selective Service registration, no defaulted loan, etc.) may be eligible for federal grants and loans. The Financial Aid Office **strongly** suggests that you complete a FAFSA to determine eligibility for federal assistance before turning to a more costly alternative loan. This form is required prior to disbursement of an Alternative Loan when not completing a FAFSA.
