

## Hail to the Thunder!

### Verse 1

Hail to the Thunder, Mighty Trine!

All laud and honor ever thine.

The blue and white we lift on high

Our glory shines across the sky!

Firm and united now are we!

Ever true and faithful we shall be.

Our strength combined in Mighty Trine

Our glory all shall see!

### Verse 2

Storming the ball down the field

The Mighty Thunder we shall wield

We'll fight for right, the blue and white

Will persevere and never yield.

Up and down the court we will prevail

Over track and turf we'll never fail

The light will shine on Mighty Trine

In Victory we all shall hail!
