TRINE
UNIVERSITY
CAREER CENTER

Trine University promotes intellectual and personal development through professionally focused and formative learning opportunities, preparing students to succeed, lead and serve.

The **Career Center** strives to educate and empower students while facilitating opportunities to connect them with alumni, employers and friends for advice, experiential learning and employment opportunities. Partner with us as a one-stop resource for expert recruiting and collaboration.

Being an employer partner allows you to...

- Advertise positions through multi-channel marketing such as Handshake, campus monitors and faculty announcements
- Create opportunities to meet students through on-campus events
- Introduce your company to key campus faculty, coaches, administration and alumni
- Learn about best recruitment practices and current trends
- Sponsor career fairs for added visibility

Connect with Trine University and our talented student and graduate population through Handshake. Post open positions, register for on-campus and virtual events with the Career Center, schedule interviews and more! Creating an account is FREE for employers, and Handshake makes it easy to engage with Trine talent.

About Trine

Trine University has a commitment to excellence. From our programs and our faculty, we've set our standards higher at Trine for more than 135 years. Visit us and you'll see excellence in:

- Our beautiful 450-acre main campus, with more than \$176m invested in enhancements since 2000
- Our consistent ranking among the Midwest's best universities
- Our academic programs that offer hands-on experience with real-world projects
- Programs like Innovation One that offer hands-on experience with real-world projects that benefit businesses, the community and the world

In addition to our main campus, Trine provides educational opportunities through TrineOnline and the College of Health Professions. The College of Health Professions (located in two education centers in Fort Wayne, Indiana: 1819 Carew Street and 9910 Dupont Circle Drive East, Suite 130) provides state-of-the-art laboratories and classroom technologies as well as partnerships with Lutheran and Parkview Health Systems.

We love to partner with our employers!
