

PARKING FOR COMMENCEMENT

The Trine University Office of Campus Operations has developed a parking plan to best serve commencement visitors on May 5, 2018. Visitors requiring disability-accessible parking must have a valid disability parking tag or must notify Campus Operations before April 27 to request a disability-accessible parking permit. On commencement day **all visitors and graduates must enter the university using South Darling Street.**

Graduates will be directed to designated parking. Graduates must arrive by 9 a.m.

Visitors will be directed to disability-accessible parking or general parking areas. Shuttles will be available to transport attendees to and from the commencement ceremony. Shuttle service will be available from all parking areas. You may use the form below to request a disability-accessible parking permit, or you may call, email or fax campus operations.

Phone: 260.665.4155
 Fax: 260.665.4159
